

Bringing It All Together and Where to Go Next

Dustin Schultz

SOFTWARE ENGINEER

@schultzdustin <http://dustin.schultz.io/> dustin@schultz.io

Outline

How does it all fit together?

- Service Discovery
- Distributed Configuration
- Client-side load balancing
- Gateway and routing
- Fault tolerance and circuit breaker

What's next?

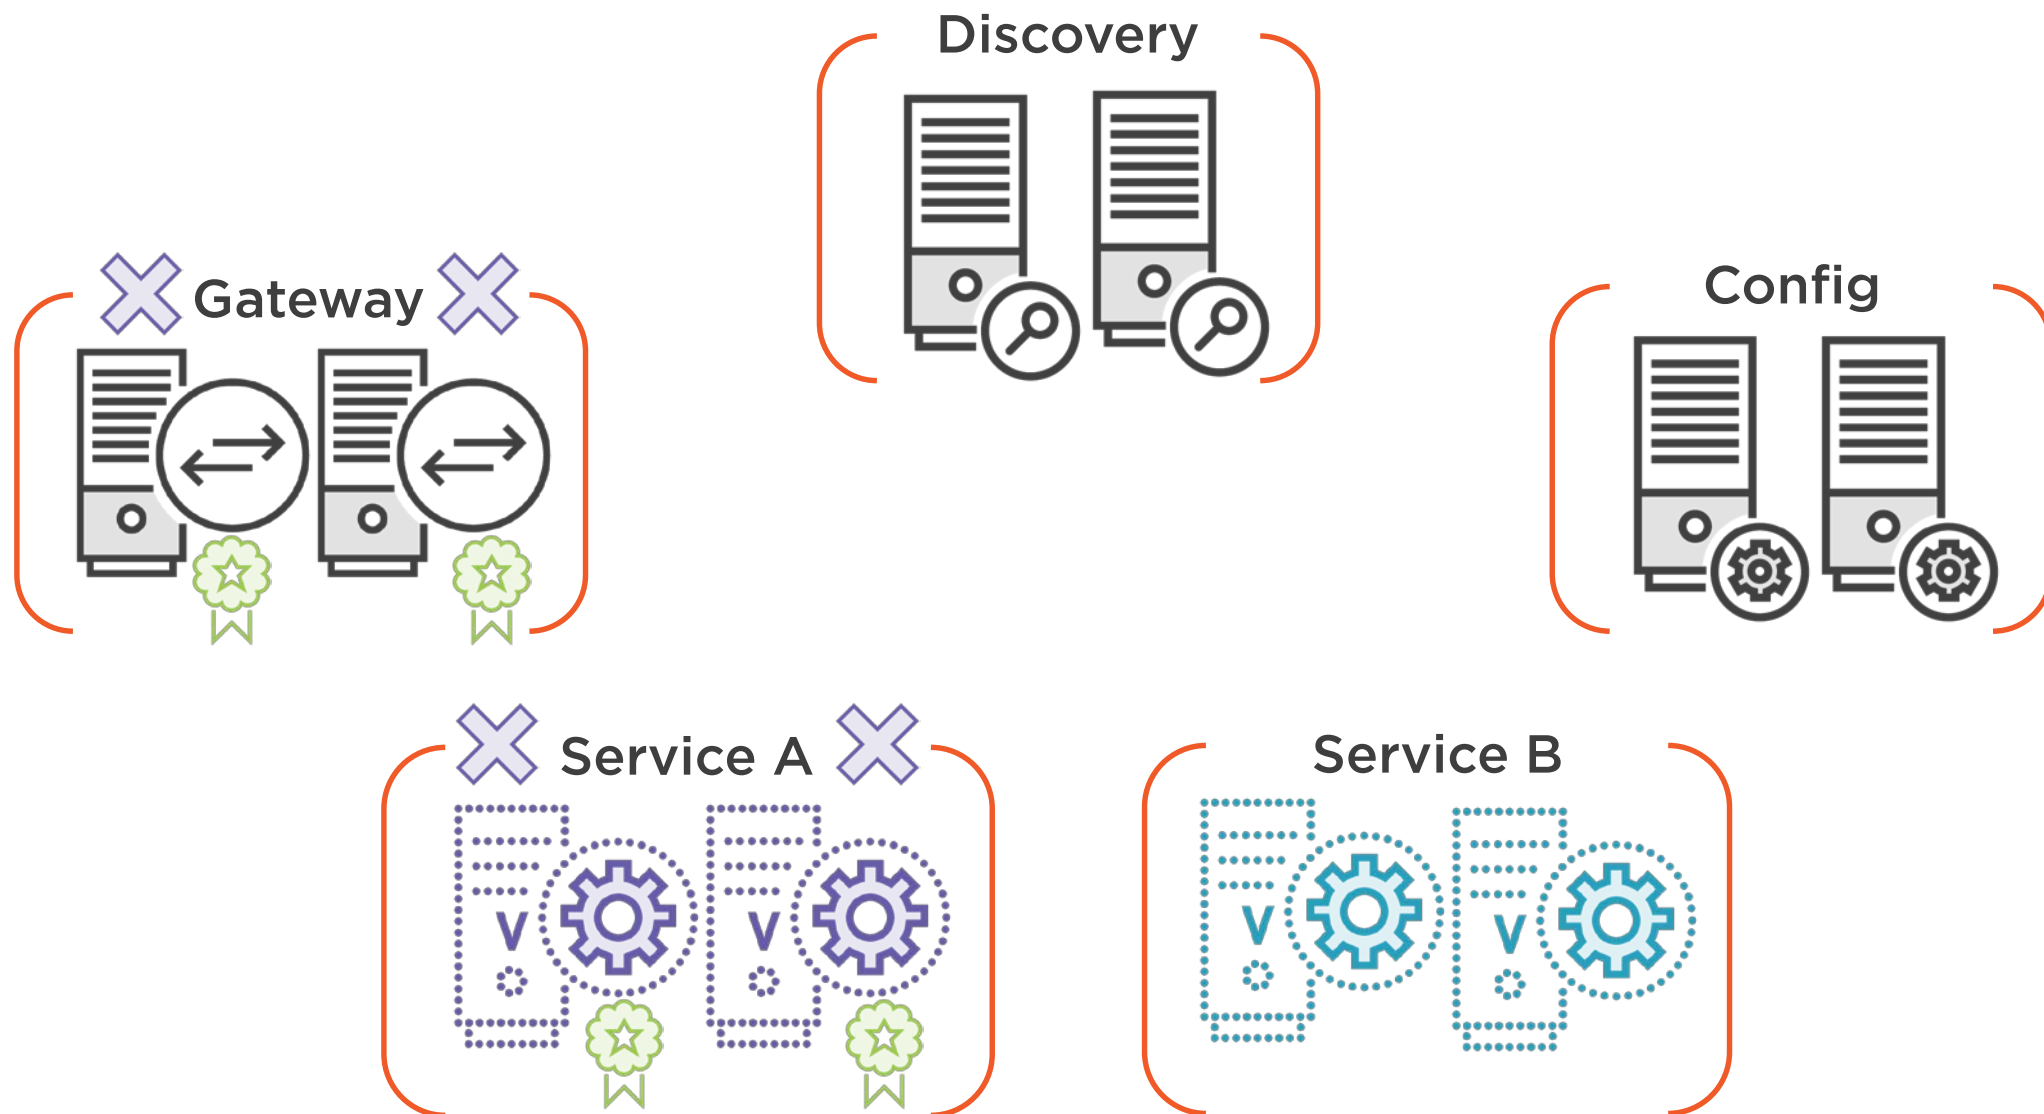

- Other Spring Cloud Projects

How Does It All Fit Together?

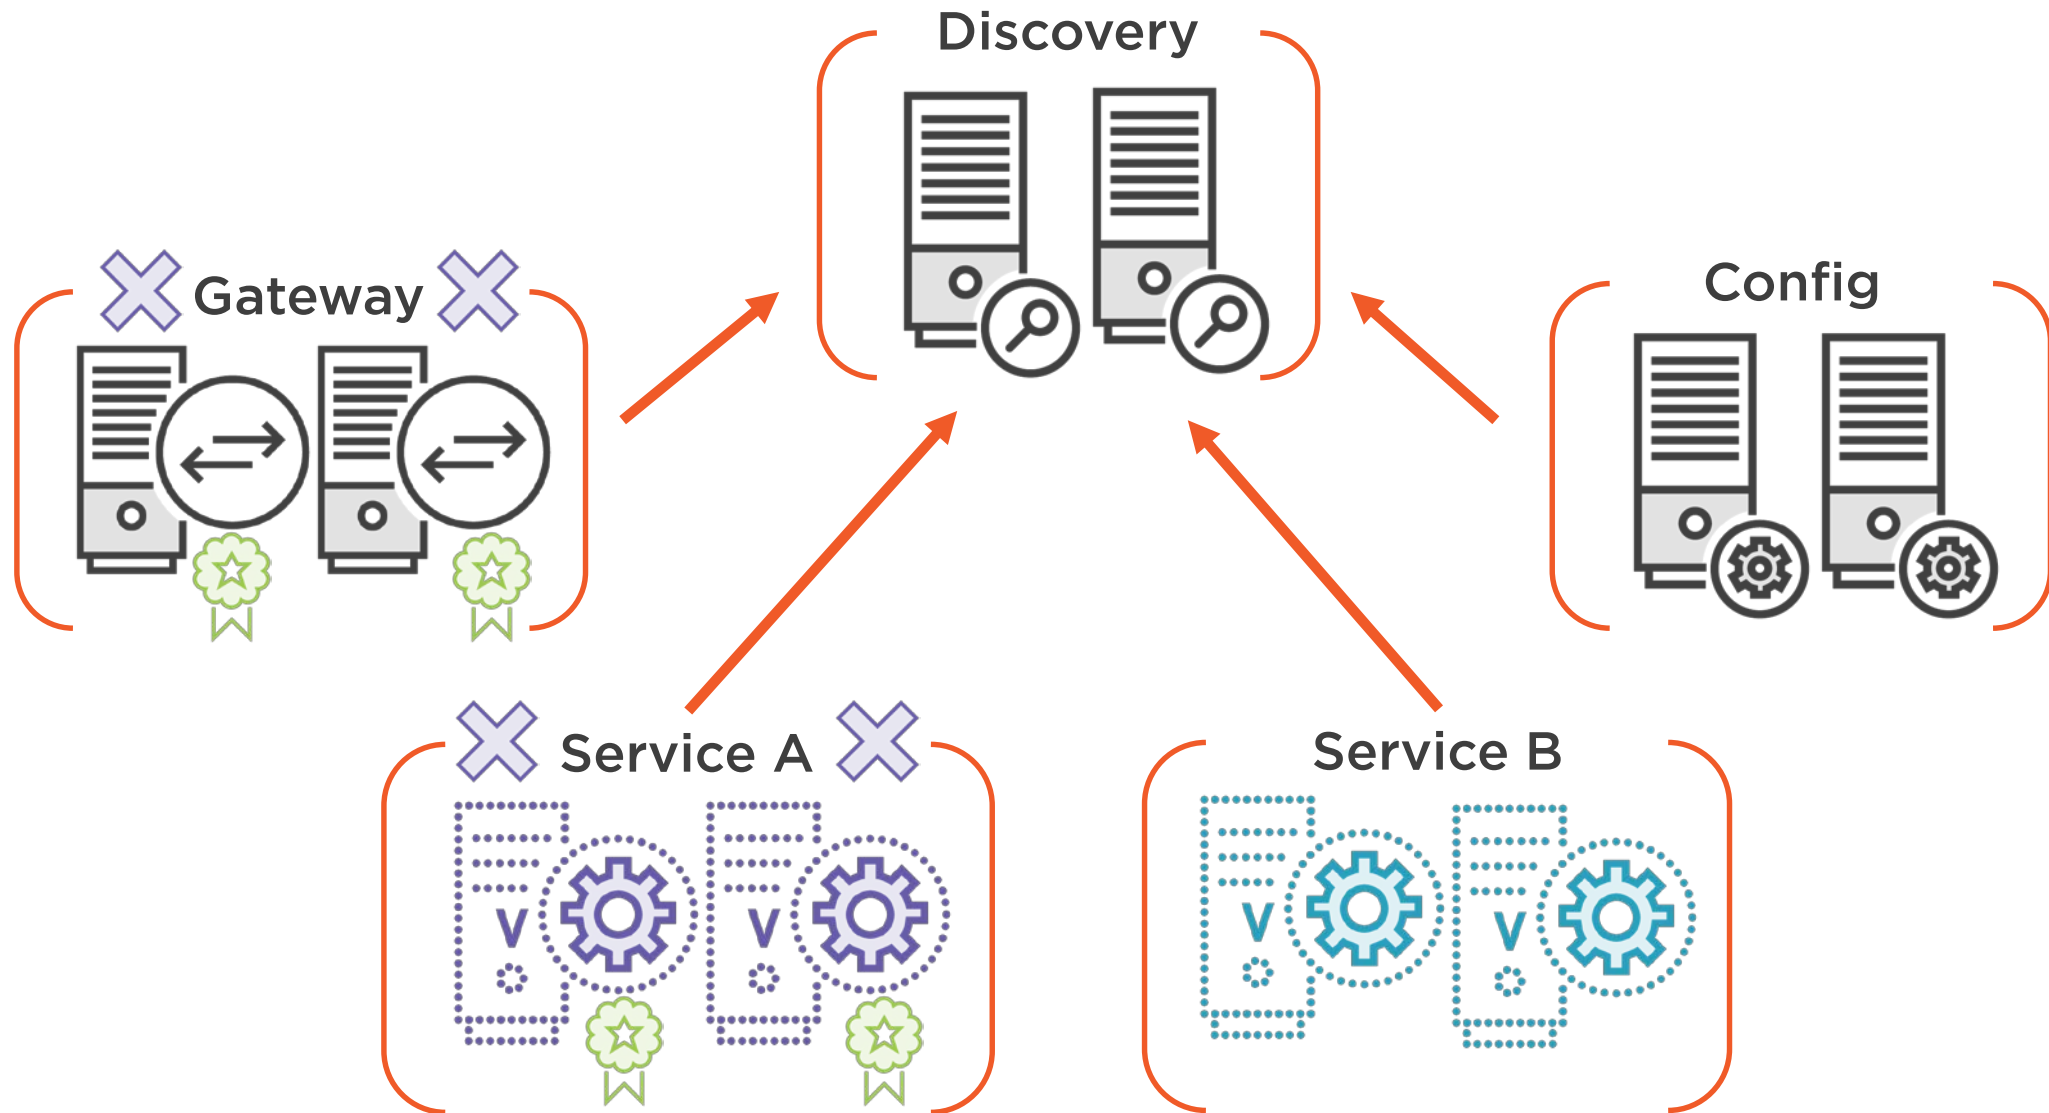

The Parts of a Cloud Native System
